

Elect Landau Head Of 'Y' Board; Plan Building Program

David Landau was elected chairman of the Board of Directors, YMHA, at the annual reorganization recently.

M. L. Goodman was reelected first vice-chairman. Others named were: Milton Aronsohn, second vice-chairman; Charles Bah, treasurer, reelected, and George Joel, secretary, reelected.

The new Board Chairman has been active 40 years in "Y" affairs. Mr. Landau was first president of the Middle-Atlantic District, Jewish Welfare Board.

Directors announced plans are completed for the Greater "Y" Capital Fund Campaign to improve and enlarge facilities as a living memorial to city servicemen who died in World War II as well as a monument to more than 1,000 "Y" members who served in the conflict.

Mr. Aronsohn, Chairman of the Campaign Planning Committee, pointed out that the original building was acquired in 1914 and was remodeled to house the "Y" and that today it is inadequate to meet its needs. An addition was made to the building in 1928.

Under present plans, a new building will be erected or the present structure will be redesigned to accommodate the rapidly growing requirements. Proposed facilities include separate veterans' lounges and social rooms, snack bars, bowling academy, game rooms, separate basketball system and enlarged gymnasium, a sundeck and outdoor handball courts. Plans also call for a health club, with modern therapeutic treatment, a ground floor auditorium with complete

stage facilities as well as a ballroom and banquet room.

A music room and separate lounge facilities for adult members also are incorporated in plans. Extensive recreational facilities for youths are objectives.

The National Jewish Welfare Board has been conferring with the "Y" Committee in designing preliminary sketches. The campaign will be started early next year. Permission for the drive was obtained last year from the Community Welfare Association of Scranton and Dunmore and additional land for the project was obtained at the time.
